

WANTS CAMP UPTON LAND.

Petition to Condemn Property Filed for U. S. Government.
A petition in behalf of the United States Government was filed in the United States District Court in Brooklyn to-day for the condemnation of a part of the property now included in Camp Upton, aggregating 2.24 acres. The property was heretofore owned by the Government. The petition mentions the location and with the lines, and the roads leading from the camp. Thirty-eight names are set forth in the petition as the parties owning the land.

Just mention my name—

"Ods bodkins! You don't know what refined and goodly cigarettes the city affords! That great firm of tobacco merchants—the United Cigar Stores, have in their shops a rare private brand. You can get it, too, if you'll just mention my name."

BOARD ABANDONS HOUSING PLAN AT PELHAM BAY PARK

Sinking Fund Commission Asks Navy to Restore Site to Former Condition.

The hope that New York's housing problem might be solved in part by placing thousands of families in the buildings erected for wartime purposes in Pelham Bay Park was dissipated to-day by the adoption of the following resolution by Mayor Hylan, President Moran of the Board of Aldermen and Comptroller Craig, sitting as Commissioners of the Sinking Fund:

Resolved: That it is the sense of the commissioners of the Sinking Fund that the commissioner of Parks, Borough of the Bronx, should request the Federal authorities to restore that part of Pelham Bay Park held under permit for use as a naval station to the condition in which they found it without any unnecessary delay.

While no explanatory statement was issued with the announcement of the resolution it is known that in the beginning Mayor Hylan favored the project of altering the barracks buildings at small expense and making them available to the victims of rent profiteers and to others who find that the activity of builders is not keeping step with the growth of the city.

Sober second thought, it was hinted at City Hall, suggested to the Mayor and his associates that notwithstanding the "temporary" feature of the Pelham Bay Park plan considerable difficulty might be met with when the time came for "temporary" residents to find permanent homes.

A new question in relation to the eviction of tenants is raised by a letter received to-day by the Mayor's Committee on Rent Profiteering from

"Irish Republic President," Reported in U. S., and His Wife

Eamon De Valera, "President of the Irish Republic," is in the United States, and, according to a report, is living among Irish sympathizers. The rumor is to the effect that the "President" came here secretly and to-day will announce himself and personally appeal to the American people for recognition of the Irish Republic. Despatches had reported De Valera had gone to Switzerland on a mission.

BOLAND SAYS DE VALERA MET FRIENDS HERE TO-DAY

"Secretary" Insists the "President" of Ireland Will Be at Waldorf This Afternoon.

Edward De Valera, "President of the Irish Republic," will receive newspaper reporters at the Waldorf-Astoria at 5.30 o'clock this afternoon, according to a statement made this morning by Harry J. Boland, who says he is "private secretary" to the "President."

The story of the arrival of De Valera in this country, told Saturday by Boland, has not been confirmed from any other source. Boland repeated the story to-day, however, and said the "President" was to-day making calls on a number of his friends in and about New York, using an automobile.

Reservations have been made at the Waldorf-Astoria by Boland in De Valera's name. De Valera's plans were announced this afternoon in part at the office of the Friends of Irish Freedom in the Stewart Building at No. 230 Broadway, near Chambers Street, where a clerk handed to reporters a typewritten slip reading as follows:

"President de Valera will be escorted to the Waldorf-Astoria Hotel this afternoon by a group of prominent Americans and the members of the Parliament of the Irish Republic resident in America."

This announcement, the clerk who gave it out said, came from Harry J. Boland, M. P., Mr. de Valera's Secretary. Neither Boland nor de Valera was in sight and it could not be learned whether they were among the party in the private office.

He says the property should be assessed at \$1,235,500.

MISSING BROKERS ACCUSED BY 70 OF \$500,000 SWINDLE

Police Searching for Three of H. C. Loup Firm Say Widow Lost \$15,000.

Central Office detectives are to-day looking for the members of the brokerage firm of H. C. Loup & Co. of No. 50 Broad Street. The members sought are Herbert C. Loup, Joseph C. Kelsey and Frank B. Taylor.

In announcing that there is a search for the men, Assistant District Attorney John T. Dooling said the public had been fleeced by them out of a sum which is between \$250,000 and \$500,000.

"We have had between 60 and 70 victims," said Mr. Dooling. "It was the same old story of persuading the unsuspecting to part with Liberty Bonds and other good securities to get in on the ground floor of something that did not exist. The sums mislaid out of the public range from \$20 to \$125,000."

Mr. Dooling said the man who had lost \$125,000 was Joseph Kaye of Em-

porium, Pa. He also said the most pitiable case was that of a woman named Margaret McCabe of No. 449 West 153d Street, who invested all of her savings, \$15,000, only to find that the Frontier Oil Company had nothing but papers of incorporation.

Sigmund Schachter of No. 443 Ashford Street, Brooklyn, reported to-day to the Coney Island police that his son Samuel, fifteen years old, who went bathing with him yesterday at the foot of West 24th Street, became separated from him and had probably been drowned. He had been unable to find any trace of the boy after searching all night. The boy's clothes were brought in to the station this morning.
